

NHA Creates Power, Water Task Team

The National Housing Authority, pursuant to the NHA Board's instructions in a meeting held on October 09, 2015 created a Task Team on Power and Water Connections in NHA Projects.

The Team will be headed by Project Operation Support Services Office (POSSO) Manager Engr. Ma. Otelia F. Eclavea. Members of the team are: Ar. Ma. Benita O. Regala, Housing Technology Development Office (HTDO) Manager, Ar. Marissa B. Maniquis, Corporate Planning Office (CPO) Manager, and the Group Managers from the Area Management Offices (AMOs), namely, Engr. Victor C. Balba, National Capital Region (NCR), Engr. Felicisimo F. Lazarte Jr. (NCL), Ar. Susana V. Nonato (SLB), Ms. Lorna M. Seraspe (VMO), and Ar. Ma. Alma T. Valenciano (MMO). NHA Chief of Staff Atty. Rudolph S. Capuchino and Consultant Ms. Gina T. Sanchez will also serve as Observers for the Team.

The Task Team will be responsible for tracking the progress of installation of water and power supplies in identified NHA projects. They shall also facilitate immediate resolution of issues which delay installation of power and water connections, and submit to Management regular monthly reports on the status of power and water installation. Also, other instructions from the Board Meeting included the creation of a template to determine what identified projects are beyond the set standards, establishment of a specific timeline in the installation of power and water supplies, and the inclusion of representatives from Meralco and local water suppliers in the meetings being conducted among NHA, Gabriela, Anakpawis, and Kadamay.

Further, the POSSO was tasked to provide secretariat support to the Task Team, and assistance in the preparation of the necessary documents, monitoring agreements, and preparation of status reports for submission to the Management.
