NHA 41st Anniversary

The National Housing Authority (NHA) on October 10- 14 will celebrate its 41st anniversary in the service of shelter provision.

Anchored on the theme, *“Sama-Sama, Tulong-Tulong; Programang Pabahay Ating Isulong”*, the five-day anniversary celebration will kick off with a Throwback Photo Wall Exhibit. This will feature the throwback pictures of NHA personnel in action. On the second day, a photo opportunity with the new NHA General Manager Marcelino P. Escalada will be held with the Authority’s personnel.

A whole day worthy of *“Health Conversation with Dr. Jaime Galvez-Tan”* is the highlight of the third day. Popular in instilling health awareness and discipline among NHA employees, Dr. Jaime has been NHA’s partner in its early years as a consultant for community health programs. He also advocates the use of alternative medicines on managing health issues. A Wellness Activity (Zumba/Aerobic Exercises) will also be launched on this day in coordination with the NHA Health and Fitness Club.

The Consolidated Union of Employees (CUE) will lead the anniversary celebration on the fourth day. And on the last day, GM Escalada and Assistant General Manager Froilan R. Kampitan will grace the Thanksgiving Mass and the Loyalty Awards Ceremony. Alongside this, one hundred thirty-four (134) Loyalty Awardees, one hundred sixteen (116) Gold Awardees, three (3) Silver Awardees and fifteen (15) Bronze Awardees will be recognized for the services they rendered for the Authority and for the housing beneficiaries.

Moreover, NHA’s housing beneficiaries will feature their various goods, products and services in the weeklong Anniversary Tiangge. This will be spearheaded by the Livelihood Development Department (LDD) of NHA.

Likewise, far-off NHA project offices in Luzon, Visayas and Mindanao will also conduct their own anniversary celebration on the same dates.
